

NYLON BACK BAR

For cleaning

Use soft cloth and non-abrasive neutral detergent. Do not use alcohol, solvent-based, acid or abrasive cleaners.

For disinfection

We recommend the use of **sodium hypochlorite** (0.1% - 0.5% sol.) or **hydrogen peroxide**. *

Before disinfecting the entire surface of any component, it is advisable to proceed with tests on a small part of the product.

product name Activa

TYPE Adjustable back bar

MATERIALS Nylon + glass fiber

* Analysis of the effects resulting from the application of chemicals on product surfaces, performed by an accredited laboratory.
